Pursuant to 37 C.F.R. § 1.182, applicant requests a change in the order of the inventors' names pursuant to MPEP 605.4(f). This situation is not specifically provided for in the regulations. Ordinarily, the order of names of joint patentees in the heading of the patent is taken from the order in which the type-written names appear in the original oath or declaration. Since the particular order in which the names appear is of no consequence insofar as the legal rights of the joint applicants are concerned, no changes will be made except when a petition under 37 C.F.R. § 1.182 is granted. Accordingly, applicant requests a change in the order of the inventors' names pursuant to this petition under 37 C.F.R. § 1.182.
